Individual units available
SDA Fully accessible funding required

Our passion is to see people with disability living their best life, in the best homes.

Immerse yourself in the vision of a purpose-built property that promises a lifestyle of both independence and community.

Set to feature four contemporary self-contained units, each adorned with a private courtyard, this development exudes the promise of comfort and convenience.

Our commitment to innovation and inclusivity takes centre stage as we design this space to cater to individuals with diverse abilities. Experience firsthand the thoughtfully designed living spaces, ensuites, bedrooms, kitchens, and shared laundry facilities that will define your new home.

Step into a vibrant common area, designed as a hub for interaction and connection. Picture yourself engaging in enriching

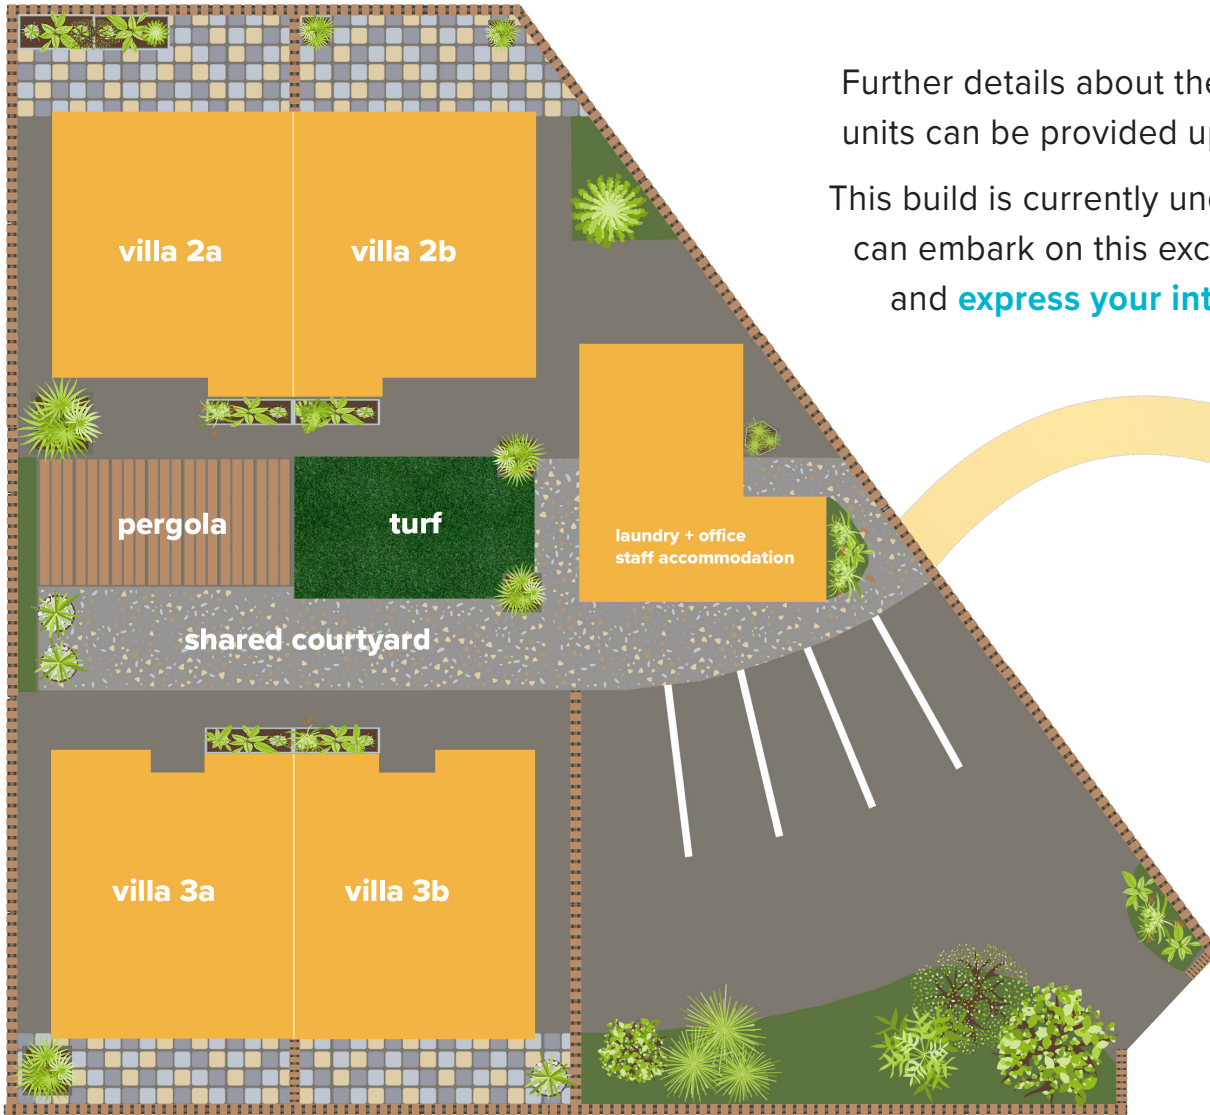

conversations and forging new friendships over a cup of your favourite beverage.

At Multicap Tasmania, we take pride in offering personalised support and assistance. Our team of experts will be at your service to ensure a seamless transition to your new home, providing peace of mind every step of the way.

This exceptional venture aligns with the stringent standards of Fully Accessible Specialist Disability Accommodation (SDA), reflecting our unwavering dedication to creating an environment where everyone can thrive.

This build is currently underway, you can embark on this exciting journey and **express your interest today!**

*design concept only, design subject to change

Further details about these stunning units can be provided upon request.
